

The background features a gradient from deep purple at the top to dark blue at the bottom. Overlaid on this are several faint, white circular patterns and a scale. The scale is a large arc on the left side, with markings from 140 to 260 in increments of 10. There are also smaller circular patterns with arrows indicating clockwise or counter-clockwise movement.

**THANKS TO PLANTS, ALGAE
AND CYANOBACTERIA
FOR DOING PHOTOSYNTHESIS FOR US ALL

Trees are
doing it in
Key Largo,
Florida,
December
30, 2018

Leaves do it; they have chloroplasts and chloroplasts have the photosystems as well as the carbon fixation machinery ; they give us food and oxygen using sunlight...

**What is this
strange way of life?**

**As the Sun sets, Photosynthesis
also sets
