Thank you for your interest in AMSA's 5k. We hope that you will join us on October 26<sup>th</sup> for what should prove to be an exciting event at the University of Illinois' beautiful Arboretum. By participating in this race, you will be helping World Vision to provide for families who have suffered losses due to HIV and AIDS. In Africa alone, there are over 12 million children who have lost one or both parents to AIDS. World Vision has received grants from the U.S. government that will multiply any donations, thereby enabling more funding to be given to children in need of nourishment and/or medical treatment. All proceeds from this race will go directly to World Vision to provide food, shelter, clothing, and HIV prevention education for children who have been orphaned by HIV/AIDS in over 100 countries, in particular in Africa and Central America. For more information please visit [www.worldvision.org](http://www.worldvision.org) or e-mail [aidforaids5k@gmail.com](mailto:aidforaids5k@gmail.com).

**Thank you for your participation, you are helping to make a difference.**
