

New Course for Spring '08 !!!

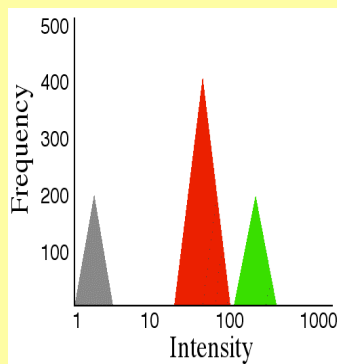

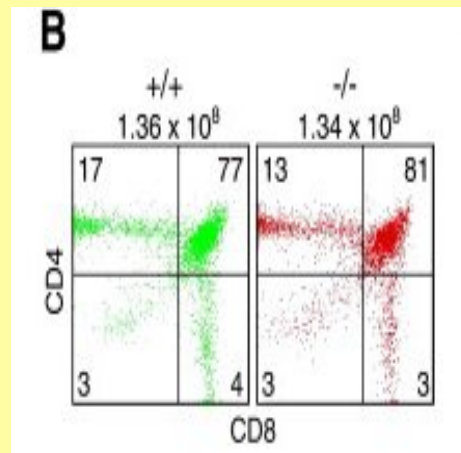

Bio Stats

**STAT 200, section
z1
CRN 48327
3-4p.m. MWF**

A new course being delivered for the first time in the Spring 2008 semester, Bio Stats seeks to deliver instruction in the types of data analysis of particular interest to real-world biologists, using actual examples from biology as instructional models.

- **Bio Stats has been jointly created by members of the Department of Statistics and the Schools of MCB and IB.**
- **Class is restricted to students in the biological sciences**

**For more information contact the Statistics department: 333-2167,
office@stat.uiuc.edu**
