

Summer Registration Internship Application

College of Liberal Arts and Sciences

106 English Building

(217) 333-1703

LAS Summer Registration Interns

LAS Summer interns work with new incoming first-year and transfer students during summer registration. Incoming students are referred to the computer lab by their advisors to register for their classes, where interns assist students navigate the Illinois websites and answer general questions.

LAS Summer Interns must have Junior standing by the start of Summer 2011 term. Students graduating May or August 2011 are still eligible to apply.

If you are interested in applying please complete this form, and submit a current resume to 106 English Building or cohms@illinois.edu by April 24th, 2011.

Please type or print clearly:

Name _____ Student NetID/UIN _____

Major _____ Class _____ Email _____

Campus address _____ Phone _____

Summer address _____

Summer phone _____

1. Name a Illinois faculty or staff member whom we may contact as a reference

Name _____ Position _____

Office _____ Phone _____

On a separate piece of paper, please type an answer to the following questions:

2. What extracurricular activities or societies at the University have you been actively involved in?
3. What advice would you want to give your freshmen students to help them succeed here at Illinois?

I certify that the statements on this form are correct and complete. I give my permission to all officials I have listed to release information needed by the University of Illinois at Urbana-Champaign to substantiate statements.
