

Thinking about a career in medicine?  
Wondering what it is like to be a medical student?

**Become a part of the  
Latino Medical Student Association-Student National Medical  
Association Mentorship Program**

**What is it?**

**The newly formed program provides undergraduate students the opportunity to meet medical students, and provide information and experiences to help students on their paths towards medical school.**

**Who are the mentors?**

**Current UIUC Medical Students.**

**So you are interested, now what? Want to know more?**
