

U of I **MPH** Spring 2017 Information Session

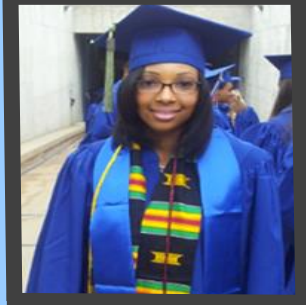

Thursday, January 26th, 4:30-5:30 p.m.
3005 Khan Annex, Huff Hall

Where can you go with a **Master of Public Health** degree from the University of Illinois?
The sky is the limit.

Explore the role of YOUR major in the world of public health

Open to students of all majors

Community Health, Molecular and Cellular Biology, Psychology, Nursing, Engineering, Geography, Anthropology, Nutrition, Social Work, I-Health, Law, Medicine, Kinesiology, Veterinary Medicine and many more fields serve as a wonderful foundation for the MPH degree

Prepare to Make a Difference!

- Explore the **Transdisciplinary Nature** of public health.
- Work closely with **first-rate faculty** who are experts on top public health issues of today.
- Learn how to improve health through our **Health Behavior and Promotion concentration**.
- Acquire **real-world skills** critical to job success.
- **Prepare for Medical School** by sharing a commitment to improving the health of our communities and reducing health disparities.
