## Master of Public Health

## Master of Public Health Spring 2019 Information Session

Tuesday, February 19<sup>th</sup>, 4:00-5:00 p.m.

1001 Khan Annex, Huff Hall

Come and learn if a MPH degree is a right fit for you.

Open to students of all majors

**Prepare to Make a Difference! The MPH degree offers the opportunity to:**

- Earn a **nationally accredited MPH degree**
- Learn transdisciplinary public health competencies with a **concentration in Health Behavior and Promotion**
- Be part of a small, **tight-knit cohort of students** who develop close relationships with faculty
- Participate in hands-on learning opportunities to **gain real-world skills critical to job success**
- **Prepare for careers** in health education, evaluation, program development, research & more
- Helpful for **pre-clinical students** with a commitment to improving health and reducing health disparities
