

Intern as an Undergraduate Editor for *Peer Review: Undergraduate Research Journal*

- Responsibilities include: copy and content editing as a peer reviewer, in-classroom and online advertising for journal submissions, direct assistance to journal submitters regarding their projects, and other possible tasks to promote the journal and its dissemination.
- Hours worked (approx. 3-5 per week) as an unpaid undergraduate editor for AY15-16 may qualify as internship hours toward undergraduate programs, certificates, etc. We will provide documentation of support upon request.
- See past *Peer Review* issues *here*:
