

Interested in Spanish as a major or minor?

I Department of Spanish, Italian, & Portuguese

Spring 2011 Information meetings

Avoid waiting in line at the advising office during peak periods!

If you have been considering a major or minor in Spanish and you would like more information about how and when to declare, the requirements, and how study abroad can be incorporated, you are invited to attend one of these information meetings. Come meet the undergraduate Spanish advisor, Beth Chasco, as she explains the curriculum and answers student questions. In this way you can avoid the long lines at the advising office during peak periods. *Bring the *Intent to Declare a Campus Minor* form and a print out of your academic history if you believe you will want to declare a *minor* at the end of the meeting.
