

Introduction to the Secondary Education Minor

Introduction to Secondary Education Programs: Freshmen

This presentation is designed to provide an overview of the secondary education minor to students interested in teaching at the high school or middle school levels. Although this presentation is geared towards students in their first semester, all interested students are welcome.

Tuesday, October 15, 4:00-5:00 pm, Room 1090 Lincoln Hall
Monday, October 21, 4:00-5:00 pm, Room 1065 Lincoln Hall

Introduction to Secondary Education Programs: Sophomores/Juniors

This presentation is designed to provide an overview of the secondary education minor to students interested in teaching at the high school or middle school levels. Although this presentation is geared towards students who have gained an interest in teaching later in their college careers, all interested students are welcome.

Wednesday, October 16, 4:00-5:00 pm, Room 1065 Lincoln Hall
Thursday, October 24, 4:00-5:00 pm, Room 1090 Lincoln Hall
