

Mandatory Application Workshop

Sophomores and juniors planning to apply THIS SPRING to the Secondary Education Minor (for biology, chemistry, English, math, history, physics, and geology teaching) must attend one of the following mandatory meetings:

Wednesday, December 4, 5:00-6:00 pm, Room 1060 Lincoln Hall

Monday, December 9, 5:00-6:00 pm, Room 1065 Lincoln Hall

This is the best way for you to get information about how to actually apply to the program. We will go into detail about the requirements for the application and how you will submit your application to the College of Education.

Please reserve your spot at the application workshop by going to this link:
