

Upcoming Events

4/26

Giving Great Research Presentations

6:30 – 7:20pm

Partnering with the Office of Undergraduate Research, this workshop will provide strategies for designing effective slides, overcoming anxiety, and delivering your research for an academic audience.

Acing In-Class Essay Exams

6:30–7:30pm

4/27

Gain strategies for how to study for exams, plan and draft your essays, and manage your time during exams.

4/28

Researched–Argument Papers & Spotify: From Curating a Vibe to Synthesizing Sources

6–7pm

Use the concept of playlist curation to understand source synthesis and ensure your sources are “vibing.” You’ll gain concrete strategies to synthesize multiple sources within researched argument papers. Come learn how your curated vibe playlists can serve as a template for how to synthesize your sources!

The Final Check: Proofreading & Editing Strategies

5/1

1–2pm

Need concrete strategies for revising your writing? Come to discuss and practice editing strategies so that you can submit your most polished work!
