

Illini Global Initiative presents...

November
5th - 9th

LIVE GREEN week is full of activities (including lectures, demonstrations and hands-on displays) with the expressed intent to show UIUC students how to live greener — less-destructive, more globally-conscious — lives.

Monday: Sustainable Design

William McDonough

Tuesday: Renewable Energy

Engineers Without Borders

Wednesday: Environmental Justice

YMCA forum

Thursday: Consumption

Trash Art, Planetears' Open House

Friday: Environmental Hangover

you have the power to green in your everyday life!
